

TAKE THE LEAP AND JOIN "TEAM CHEERFANABUTERS"

It is with great pride that you are enthusiastically invited to join this special group of CHEERleaders , FANs And contriBUTERS of

ANIMARE DELAND

the Official 2013 TEAM USA of Freestyle Skydiving.

Our very own Deland local Amanda Festi and her partner in life, love and flight, Brian Festi, with exceptional determination, discipline and devotion have succeeded in winning the **GOLD** medal at this year's United States National Skydiving Championships.

This accomplishment has earned them the challenging responsibility of representing the United States at this year's Dubai World Meet and at the World Skydiving Championships in the Czech Republic in 2014.

It would be of great assistance if the concern of their financial burden in pursuing their dream was minimized..... or better yeteliminated.

We, ^{Text} TEAM CHEERFANABUTERS, can help.

We are actively soliciting "material" contributions, which will then be sold at

TEAM USA BENEFIT YARD SALE
